

Responding to the refugee crisis

An at-a-glance guide to a possible response

1. We can pray:

*for those who face an uncertain future
for those in authority to make just decisions
for those working to support those in need
for peace.*

2. Welcome – we can consider the welcome we might seek to offer to refugees as individuals and as churches

3. Donations, clothing, volunteering and housing:

The Lincolnshire County Council website offers suggestions in all of these areas and this information is currently available at:

4. If appropriate, please complete and return the enclosed form so that we might offer the best possible response, should the need arise.
