

## **Questions for reflection on growth**

**Q1** – The bible passage and presentation offered some thoughts about growth: which, if any, resonated with you personally?

**Q2** – What is the shared understanding of growth in your developing Local Mission Partnership?

**Q3** – Thinking about your particular ministerial role(s), what things are you currently doing to help your parish/Local Mission Partnership to grow? And, how does what you do complement or cohere with the actions of your colleagues?

**Q4** – Looking into 2024, what actions will you take as an individual minister and as part of the LMP team to promote growth?
